

UTILITY RATE CHANGES THIS YEAR INCLUDE THE FOLLOWING

Eliminating the 1000-gallon monthly allocation, thus customers directly pay for all potable water and sewage metered.

- Monthly base rate for potable water customers remained at \$35.00 per month,
- Monthly base rate for sewer customers changed from \$32.00 to \$35.00 per month.

Our per gallon treatment rates also increased to closely match our current treatment costs.

- The unit rate for potable water changed from \$5.00 to \$6.64 per thousand gallons metered,
- The Unit Rate for Sewer discharge changed from \$5.00 to \$7.49 per thousand gallons metered.
